PPA Memorandum Circular
No. 76 -92

TO : All District Managers, Port Managers, Cargo Handling
Contractors, and Others Concerned

SUBJECT : Amendatory Guidelines in the Composition
and Functions of the Port Management
Advisory Council (PMAC) in the Port
Management Office (PMO)

As mandated by Presidential Decree No. 857, a National Port Advisory Council was created with its functions defined under PPA Administrative Order No. 05-86, primarily to act as an advisory body and assist the Authority in the formulation of its policies. Accordingly, the corresponding advisory bodies at the different Port Management Units (now Port Management Office-PMO) were created under PPA Administrative Order No. 03-81 entitled Guidelines Defining the Functions, Composition, and Holding of Meetings of the Port Management Advisory Councils (PMACs) in the Port Management Units

To foster greater participation and closer coordination in terms of port administration and management with the local government, the composition of the PMAC in the Port Management Office shall include the Provincial Governor concerned, in the membership of the respective Port Management Advisory Councils.

This Circular shall take effect immediately
