VISION

By 2030, PPA shall have provided globally competitive port service in the Philippines characterized by increased productivity, efficiency, connectivity, comfort, safety, security and environmental sustainability.

MISSION

- 1. Provide reliable and responsive services in ports, sustain development of community and the environment, and be a model corporate agency of the government.*
- 2. Establish mutually beneficial, equitable and fair relationship with partners and service providers.*
- 3. Provide meaningful and gainful employment while creating a nurturing environment that promotes continuous learning and improvement.*
- 4. Establish a world class port operation that is globally competitive adding values to the country's image and reputation.*
