**PPA MEMORANDUM CIRCULAR  
NO. 05 -2020**

**TO All Port Managers  
Private Port Owners/Operators  
Others Concerned**

**SUBJECT : ALL PRIVATE PORT APPLICATIONS WITH RECLAMATION  
COMPONENTS**

Further to PPA Administrative Order No 06-95, entitled "Liberalized Regulations on Private Ports Construction, Development and Operation" and PPA AO 03-2013, otherwise known as "Simplification of Procedures in the Issuance of Private Port Permits," all private port applications with reclamation components are required to submit the approval of their reclamation projects from the Philippine Reclamation Authority (PRA) prior to processing of clearance to develop

Private ports with valid Certificate of Registration/Permit to Operate (COR/PTO) applying for expansion with reclamation components shall likewise secure approval from PRA prior to processing by PPA

All PMOs are hereby directed to strictly monitor compliance of all private ports owners with this directive

All PPA issuances, rules and regulations inconsistent herewith are hereby repealed or amended accordingly

This Circular shall take effect 15 days after its publication in a newspaper of general circulation
