2. Must be compatible with current AutoCad Civil 3D
3. GNSS must work with base and rover sim card connection
4. Supplier shall demonstrate how to pair the GNSS with drone quadcopter and software to provide base map output that can be integrated with GIS.

5.2 The CONTRACTOR agrees to commence, perform and complete the work called for and defined in this Contract at its sole cost and expense, and to fully and faithfully furnish all materials, tools, labor supplies, equipment, services and superintendence for the implementation of this Contract in accordance with the schedule in the Contract Documents forming integral parts of this Contract.

5.3 The CONTRACTOR guarantees, among others, that all tools, equipment, machineries, instruments, accessories and materials it will supply or deliver or install and/or use in the construction and workmanship of all his work under the Contract, shall be in accordance with the Contract Documents.

5.4 The CONTRACTOR recognizes the position of trust and confidence reposed in it under this Contract, and agrees to perform its obligations hereunder in the most efficient and competent manner, use its skill and good judgment, always set in good faith, and carry out the execution of this Contract in the most sound, expeditious and economical manner consistent with the interest of the PPA.

6. COMPLETION TIME: LIQUIDATED DAMAGES

6.1 The CONTRACTOR agrees and obligates itself to perform and complete all works provided for in this Contract within sixty (45) calendar days, reckoned after seven (7) calendar days from the date of receipt of the Notice to Proceed issued by PPA. Notice to Proceed shall be issued after this Contract has been signed by the parties hereof (and approved by the PPA Board of Directors, if required).

6.2 Time is of the essence of this Contract. Should the CONTRACTOR refuse or fail to satisfactorily complete the work within the specified contract time, plus any time extension duly granted and is hereby in default under the contract, the CONTRACTOR shall pay the PPA for liquidated damages, and not by way of penalty, an amount at least equal to one-tenth of one percent (0.1%) of the unperformed portion for everyday of delay.

6.3 The project or a portion thereof may be deemed usable when it starts to provide the desired benefits as certified by the Project Inspector.

6.4 It is understood that the damages herein provided are fixed and agreed liquidated damages and to be entitled to such damages, PPA does not have to prove that it has incurred actual damages. Such amount shall be deducted from any money due or which may become due the CONTRACTOR under the contract and/or collect such liquidated damages from the retention money or other securities posted by the CONTRACTOR, whichever is convenient to PPA.

6.5 In case that the delay in the completion of the work exceed a time duration equivalent to ten percent (10%) of the specified contract time plus any time extension duly granted to the CONTRACTOR, PPA may rescind the contract or forfeit the CONTRACTOR's performance security and take over the prosecution of the project or award the same to a qualified contractor through negotiated contract.

6.6 In no case, however, shall the total sum of liquidated damages exceed ten percent (10%) of the total contract price, in which event the contract shall automatically be taken over by PPA or award the same to a qualified contractor through negotiation and the erring CONTRACTOR's performance security shall be forfeited. The amount of the forfeited performance security shall be aside from

the amount of the liquidated damages that the CONTRACTOR shall pay PPA under Section 6.2 hereof and impose other appropriate sanctions.

IN WITNESS whereof the parties thereto have caused this Agreement to be executed the day and year first before written.
