

**CONTRACT FOR THE PROVISION OF GENERAL/JANITORIAL SERVICES FOR
THE PORT MANAGEMENT OFFICE OF MISAMIS ORIENTAL/CAGAYAN DE
ORO, FOR THE PERIOD 01 APRIL 2017 TO 31 MARCH 2019**

In reference to BAC-PGS Resolution No. 02-2017 dated 13 February 2017, entitled "A Resolution Issuing a Supplemental Bid Bulletin regarding the letter of Primewell Services, Inc., dated February 10, 2017, and the Letter of Ms. Melca L. Ejera dated 10 February 2017", pursuant to Sec. 22.5 of the Revised Implementing Rules and Regulations of RA 9184, the Bids and Awards Committee for Goods and Services (BAC-PGS) of PMO MO/C hereby institutes and issues the following Clarifications to the bidding documents of the aforesaid public procurement which shall form an integral part thereof, to purposely clarify certain concerns and matters that were raised by Mr. Cedric A. Cabardo, dated February 10, 2017 requesting clarifications on the following matter pertaining to the bid documents, to state;

"1. Shall we use long size or short size bond paper for all of our documents?"

2. Regarding BDS 5.4:

All private companies where we have contracts, the total ABC for the year is not indicated in the contract but only the Daily Billing Rate approved by management. In computing for the 50% of the ABC that will determine our Eligibility, we suggest either of the following computation:

a) the total Amount reflected on the Official Receipt for one year plus collectible for the same year

b) Cost of Sales as reflected in the BIR remittances

c) Daily Billing Rate (labor materials plus taxes) multiplied by the number of people multiplied by 314 days plus annual overtime cost.

3. Are we going to bookbind the documents?"

4. Can we be supplied a list of PPA-accredited insurance or surety companies?"

SUPPLEMENTAL BID BULLETIN NO. 001-2017
(Clarifications to the above-stated queries)

The BAC with the assistance of the TWG and Secretariat revisited pertinent provisions of the bidding documents, RA 9184 and its 2016 Revised IRR, GPPB issuances and other relevant references to objectively and collegiately address aforementioned items respectively, thus:

1. *The bidders may opt to use either long or short size bond paper provided that either size clearly, and substantially and wholly reflects or purports a particular documentary requirement;*
2. *For completed contracts, and in lieu of the Annual Contract Cost, the Daily Rate per employee multiplied by the Number of Working Days specifically indicated in the contract may also be utilized as basis for compliance with the requirement set forth on Sec. 5.4 of the Bid Data Sheet (BDS);*
3. *The bidders are mandatorily required to book-bound all copies of technical and financial documents, either soft or hard bound. Otherwise, non-compliance thereof shall result to the disqualification of its bid; and,*
4. *The bidders must ensure that insurance companies/providers are duly registered with the Insurance Commission, and not blacklisted particularly by GPPB. However, it may be informed that per record as of this date, PPA has not blacklisted any particular insurance company or provider.*
