VISION

By 2020, PPA shall have provided port services of global standards.

MISSION

1. Provide reliable and responsive services in ports, sustain development of communities and the environment, and be a model corporate agency of the government.

2. Establish a mutually beneficial, equitable and fair relationship with partners and service providers.

3. Provide meaningful and gainful employment while creating a nurturing environment that promotes continuous learning and improvement.

4. Establish a world-class port operation that is globally competitive adding value to the country's image and reputation.
